"Punching Holes In The Darkness With The Love Of Christ!"

BELIEVE!

March is the month where we celebrate many wonderful and amazing things! Think about it...March is the only month of the year that is both a "noun" and a "verb"!

It's the month where God calls to action His beautiful Creation (including you!) to burst forth with the sights, sounds, and smells of Spring! It's the time of year where we get to that much needed "Spring cleaning"...where we "dust-off" the "doldrums" from a soggy and cold winter...

It's the time when we see the tractors in the fields preparing for the yield and the harvest that is sure to come...

Most of all, Spring is a time to be refreshed and renewed in your faith! There's no greater time to ask The Lord to show you new things about yourself...your loved ones...your faith!

Be more forgiving of yourself and others. Believe that God is going to make a way, even though you can't see one right now. Believe God isn't done with you...or those you love...

He's Just Getting Started!

Remember..."Unity" begins with "U"! *Much Love, PG*

"Onward Christian Soldiers, **Marching** as to war. With the cross of Jesus going on before."

I truly believe now more than ever we need to heed those lyrics! Every generation will look at the ones before them and snicker somewhat as to what their forefathers have said. I did it, and most likely so did you. But the words we must pass on and never stop, is to tell of what Jesus did for us, is doing and will do. To let our youth know the importance of truly living for Jesus. Sharing our testimonies is what we are called to do, it gives hope to others. It makes us "real", it shows our paths aren't perfect but THE perfect ONE is a loving, forgiving, gracious God.
