Unite! Ignite! Invite!

There' no better time to celebrate Christ than this Easter!
 But "celebration" is not possible apart from the people of God, "uniting" in the passion and purpose of Jesus ... "igniting" once again our passion and purpose of the Holy Spirit of God Who indwells us... and "inviting" others to once again share in the greatest "story" that has forever sealed our "history" ...by giving a sinful and fallen world the key to the "mystery" of salvation... for "eternity"!
The world does not understand the Gospel of Jesus Christ. It will never be able to until they see Jesus in me and you!
 By God's Divine Design, He has selected you and I to be the best "influencers" and "ambassadors" possible! The only thing He asks of us today is to share it and live it out everyday! **HE IS RISEN AND HE IS LORD!**

THE G.A.P. MINISTRY
“GOD ANSWERS PRAYERS”

- The G.A.P. Ministry meets in the Conference Room the first Sunday of each month, at 9:15 am. Please join us!

We are either for The Kingdom of God or against it, we either speak Bible accuracy or we are denying it. We either profess our faith or we are not claiming it...My dear people, it is so very important for us all to SPRING into action and live the lives Christ intended for us, to share His word and the plan of salvation.

Do not be conformed to this world, but be transformed by the renewing of your minds, so that you may discern what is the will of God—what is good and acceptable ...
 Romans 12:2 NIV

God hasn't given up on you

“Being confident of this, that He who began a good work in you will carry it on to completion until the day of Christ Jesus.” Philippians 1:6

Do you have trouble sticking or completing a task you started? Are you as I and have a load of *unfinished* projects, whether it be a craft, repair job or a degree that we started and never quite finished...Not being able to see things through seems to be something we are all guilty of.

Aren't you glad God isn't like us?

He not only looks at us in our sin, but He looks and sees a thing of incredible potential. He is prepared to work with us for the rest of our lives, changing us to become more like Him. But, we need to listen and allow that change to take place, not to be stuck in our to familiar ways. Do not fear change my friends.

God has begun a masterpiece in your life and He will bring it to completion if allowed . You are a work in progress so don't give up, because *God hasn't given up on you!*
